What this Privacy Policy Covers

This Privacy Policy covers Dilution Solutions' treatment of personally identifiable information that it collects when you are on the Dilution Solutions website and when you use our services. This policy also covers our treatment of any personally identifiable information that Dilution Solutions and its subsidiaries, affiliates and business partners share with us or that we may collect on a related entity's or business partner's website. This Privacy Policy does not apply to the practices of companies that Dilution Solutions does not own or control, or to people that Dilution Solutions does not employ or manage.

Information Collection

As you browse dilutionsolutions.com, personal information - such as your name, address, phone number or e-mail address - is not collected. Dilution Solutions does, however, use "cookies" to collect information about how our website is used. Information, such as the server your computer is logged onto, your browser type (for example, Netscape or Internet Explorer) and the pages you view/request are automatically collected and tracked in aggregate.

In order to provide you with e-news, contact us forms, quotes, RMA numbers and other online services, we may request that you voluntarily supply us with personal information including your name, e-mail address and contact information.

Information Use

Dilutionsolutions.com may use information you have given us to, for example, provide a service, measure guest interest in certain new products, and inform you about products and services. If you have provided your e-mail address to us or to a company we have partnered with to make their products and services available to you, we may send you e-mail offers. We may also send you e-mail offers if you have provided your e-mail address to a third party and have actively chosen or requested, on an opt-in basis, to receive e-mail offers from other parties.

We may send you offers on behalf of our business partners. When we send e-mails to you, we may be able to identify information about your e-mail address, such as whether you can read graphic-rich html e-mails. If your e-mail address is html-enabled, we may choose to send you graphic-rich html e-mails.

Dilutionsolutions.com will not sell or rent your personally identifiable information to anyone. Dilutionsolutions.com may send personally identifiable information about you to other companies or people when:

- We have your consent to share the information
- We need to share your information to provide the product or service you have requested
- We need to send the information to companies who work on behalf of Dilution Solutions to provide a product or service to you. Unless we tell you differently, these companies do not have any right to use the personally identifiable information we provide to them beyond what is necessary to assist us; or we respond to subpoenas, court orders or legal process.
