Eco-Cart

Portable Fertilization System

The 5-gallon Eco-Cart provides quick-and-easy proportional on-demand dispensing, for a great value.

The Eco-Cart is perfect for garden centers and is ideal for spot treatments. The Eco-Cart accommodates the 7, 11, and 14 GPM Dosatron fertilizer injectors.

Ideal in dispensing:

- Fertilizers
- Fungicides
- Pesticides
- Algicides
- Disinfectants
- Surfactants

Eco-Cart can be ordered separately:

Part #: HSECO
(injector sold separately)

◀ **11 GPM Part #:
HSECO-D25F1**
