e128 Medicator Panel with ePulse Control

Item #:

- PE128.75IN1GPC

SPECIFICATIONS

This simple to install, preassembled panel includes the **Etatron e128 Medicator** and an **ePulse Control**. You can easily attach a 1 pulse per gallon (1PPG) or 1 pulse per 10 gallons (1PP10G) water meter that is already hooked up to your existing house control.

e128 Medicator Panel with ePC features:

Ships preassembled

Pre-plumbed, simply connect 3/4" FPT to your plumbing line or by garden hose connection

Use your existing 1PPG or 1PP10G water meter

e128 Medicator is fixed at 1:128

Pump capacity is equivalent to an 11 GPM water-powered medicator

Long lasting, unique one-piece, Teflon® (PTFE) diaphragm design

ePulse Control signals multiple devices, independently, from a 1PPG or 1PP10G water meter

2-year warranty
